2021

Designer, **manufacturers** and **distributors**
of **quality**, **stylish** umbrellas.

Introduction.

A warm welcome from Anthony and Sara Temporal!

What a year we have been through! Pandemic and lockdown have been a big problem for all of us but we are here and open and bringing new stock to you.

We are excited to bring you this the new 2021 catalogue. From Everyday umbrellas right through to Boutique and then on to Garden Canopies. We have a truly spectacular selection for you.

We offer a fantastic range of umbrellas at competitive prices with a friendly efficient and professional service. Because of no restrictions on product quantities, you can pick and mix the products you require in the quantity you want to order in. We have a low minimum order and our carriage paid order value is just £250 excluding VAT for UK mainland orders.

We don't just stock umbrellas for wholesale though... we can also help with creating your own bespoke products or promotional items. We can help you through the process from the design stage right through to production. With all sorts of possible variations we are sure we can produce the umbrellas or other products you imagined!

We look forward to working with you.

Darling Divas

Darling Divas brings together the talents and passions of Clare Jordan and Georgina Collins. Clare lives on a farm in Ireland and is an acclaimed designer, artist and business mentor. She lectures widely, including at the National College of Art and Design in Dublin, and has sold and licensed her own designs of gifts and stationery across the world. Georgina lives in Yorkshire. She moved into retail after twenty years in education and opened the shop Bijouled in Sowerby Bridge in 2005, bringing it to Harrogate in 2008. Bijouled has won several retail awards, including for its window displays, which Clare and Georgina often worked on together. Darling Divas products celebrate women and are a wonderful mixture of vintage style, colour, fun, attitude and fabulousness.

Cherry Parsons Art

The popular Seagull Art range provides Cherry with light relief from her more serious artwork and shows her more playful side. The reaction to this range caught her somewhat by surprise, and she now successfully sells limited prints, cards, umbrellas and box prints.

Cherry has exhibited her work many times in galleries, theatres, museums and at art exhibitions. Having joined Horsham Artists Open Studios, Cherry has also held successful Open House exhibitions – and now offers viewings to her home studio by appointment.

In addition to her self-inspired work, Cherry also accepts commissions, and has produced mural artworks displayed at Sedgwick House and Springfield Park in Horsham.
Her next exhibition will be this November at the Contemporary Art Fair in Windsor.
